treatments

EYE TREATMENT

Add this onto any facial service to treat the delicate skin tissue around your eyes, maintaining tone and texture while preventing and correcting puffy eye tissue or serious dark circles surrounding the eye area.

single treatment \$15

ACNE FACIAL TREATMENT

Break the repetitive bacterial chain of acne-prone skin, a chronic inflammatory condition that affects all ages, using this medically proven antibacterial treatment. Pharmagel® works deeply but gently to calm inflamed tissue and encourage fast healing with tea tree oil, antibacterial copper and vitamins.

60 minutes..... \$65-\$75

REJUVENATING FACIAL TREATMENT

Restore skin and delicate eye area to a youthful appearance. Calm skin affected by rosacea, sunburn, laser treatments, chemical peels and other sensitive conditions. Proven products help reduce redness, resulting in healthy tone and texture.

60 minutes..... \$65-\$75

FACIAL TISSUE TREATMENT

Improve poor skin color, circulation and texture. Includes deep cleansing and toning of face and throat area, eye treatment and Pharmagel® moisturizer application.

60 minutes..... \$70-\$80

FIRMING FACIAL TREATMENT

Treat fine lines, wrinkles, environmental and sun damage. Combat dull, sagging skin, and rehydrate and strengthen mature skin. Unique formulations build collagen and skin's elasticity while inhibiting loss of tone, texture or pigmentation.

60 minutes..... \$70-\$80

REFRESHING FACIAL TREATMENT

Help restore your skin's smooth, youthful appearance. This 30-minute facial is just the pick-me-up you need to maintain proper tone and elasticity—and avoid the onset of wrinkles. Includes deep cleansing masque application, a rejuvenating serum and an eye treatment.

30 minutes \$40-\$50
