Finding your ring size is easy!

1. Print it. Be certain your printer is set to 100%. To make doubly sure, measure the line below with a ruler. It should be exactly 3 inches.

2. Cut out the ring sizer on the left

3. Make a slot in the sizer by cutting along the dotted line
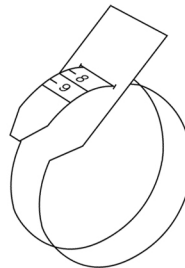

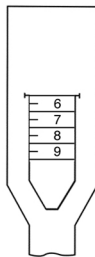

4. With the numbers on the outside, roll the sizer into a circle, then insert the end of the tab into the slot

5. Place the sizer around your finger and pull the tab until it's snug

6. Read the number on the scale, and that's your size

7. Order your ring with confidence!

in this example, the ring size is 6
