

Exclusive to Sealy, Posturepedic Technology™ leverages 65 years of experience to provide support that's right for you.

We understand the human body and that each part of you needs a different kind of support. That's why Sealy's exclusive Posturepedic Technology™ targets the heaviest part of your body, with reinforced support where you need it most. Only Posturepedic Technology's zoned support gives you deep, targeted support for exceptional all-over comfort. Posturepedic Technology™ is now featured in every Sealy line.

ADJUSTABLE BASES

Adjustable bases provide enhanced options for the ways consumers use their beds. Sealy offers an adjustable base with head and foot lift for a wide range of ergonomic positions, as well as a head-up-only version to accommodate reading, watching TV, or using a laptop.
